learning to live the life

Sunday School Director

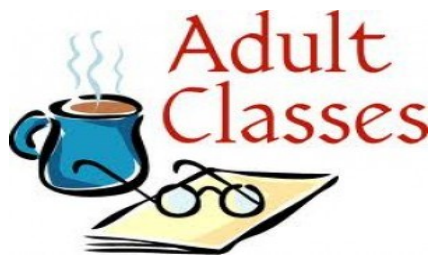

Richard DeVier

Hello and Welcome,

As DSBC Sunday School Director I would like to invite you to come join for an uplifting hour of Blessings every Sunday at 9:45am. With over 20 classes we have some for all ages. We also provide a well staffed nursery if you have little ones. Come be a part of our Sunday Morning Blessing

We desire to meet you where you are. God has designed the body of Christ to be organized in such a way that relationships are built so that God's mission is accomplished through His people. In fact, the key to understanding our mission is realizing that it doesn't start with you. It starts with understanding God and His heart, plan, and purpose for this world. Only from there can we understand how you as an individual are called to be a part of God's larger purposes. We want to get you connected to what God is doing through believers here at DSBC by getting you connected with others. Engaging in Christ-centered community is essential to your spiritual development. Sunday School groups allow you to take a next step in your walk with Jesus while connecting with others to discuss the current sermon series, a book, or using your gifts for the Kingdom of God.

We encourage you to further your walk with Jesus by joining a SS Group.

Meet in Wednesday Night Room

The Good Samaritan SS Class enjoys the time spent together studying the scriptures. We learn as we study and discuss the lessons each Sunday. Also, we like to help contribute to the needs that we learn of in our church family and community. Each year we have chicken pie supper fundraiser to have funds when needed. We are a couples class.

New Beginnings SS Class
Coed—All ages
Room# 224

The New Beginnings class is an informal group of believers of various ages. Our class is mostly couples, but we welcome single adults, spouses of adults who have other responsibilities in the church during the Sunday School hour or those whose spouses attend another class or do not attend at all. Our studies usually focus on how we can apply the teachings of the Bible to our everyday life as we work, raise our children and establish a godly foundation in our homes and communities. We take a practical approach to the Gospel so that we can learn, grow, and share the good news with others. We have fun, we joke, we laugh but we also wrestle with hard topics and sometimes discuss hot button issues. We also pray and encourage one another and share each others burdens. Our class is very casual and open to everyone. And our doors are open throughout the Sunday School hour. Our class members understand that getting a whole family ready and to church on Sunday Morning doesn't always happen like clock work. It's okay if you're late - we're just happy you made it.

Disciples SS Class
Coed—all ages
Room# 227

Our class is about people who openly share their lives with one another just like the early church. We all need a place where we can read Scripture together, pray for one another, ask questions, share stories, and invest in each other. Amidst our hectic lives, we all need the rhythm of a true intentional community. We see how the scripture in our Bible Studies apply to our lives and the world around us.
